

### Planning Your Ride...

- Please arrive 30 minutes early. This will allow time to use the restroom, meet your horse and receive an instructional demonstration.
- All riders must wear long pants and closed heel & toed shoes (lace up tennis shoes are perfect). Riders not wearing the proper attire will be unable to ride.
- We ride rain or shine. Bring clothes appropriate for the forecast. We also encourage you to bring water and a snack for longer rides.
- The saddle will have saddle bags for your belongings. We do not allow backpacks or bags of any kind to be worn while riding.
- The maximum weight is 265lbs. Horseback riding is an athletic sport and riders should be in similar condition to being able to ride a bike.
- Our minimum age for riders is 6 years old.
- Please let us know if anyone in your party has special needs or a disability that may affect horseback riding. We are more than happy to make accommodations as long as we can still provide a safe riding experience for everyone.
- Please leave your pets at home.
- If you have a balance due we would appreciate cash. There is a 3% processing fee if we run a credit card at the facility.
- Bring cash if you would like to tip your guides.
- A 24-hour notice is required for all cancelations. If you "late cancel" "miss your ride" or "no show" you we will not receive a refund of the deposit or be able to apply it to another ride. If you are paid in full there will be a \$25 rebooking fee per person.
- Directions:

We are located on Hwy 108 (Sonora Pass). Our exact location is 7.5 miles west from Hwy 395 Junction or 21.5 miles east from Dardanelle, CA. Sonora Pass is a winding two lane mountain road with no gas stations or public stops. Please plan accordingly.

Beware of using a GPS or mapping app. These often navigate to our mailing address in Coleville or other facilities. Check the coordinates to verify. 38.325195, -119.552285
